A NOTE FROM LEADERSHIP

STEPHEN STUBBORN
Chief Executive Officer

Some critics say a five letter word does not require a book.
We disagree. We believe it requires five.

STEPHEN STUPID
Chief Financial Officer

We project The Oddly Book will outsell the dictionary by
isolating only the letters people actually want.

ODDLY

SPECIFICATIONS

Pages: 5 letters + cover + colophon · Format: Letter, portrait · Reading time: 1 word
Compatible with: eyes · Not compatible with: skimming

THE ODDLY BOOK is sold as-is. Letter order is final and not subject to review.
Pages O, D, D, L, and Y are each printed at full intended size. The duplicate D is not a printing error.
Reading this book aloud produces the word "Oddly." This is expected behavior and not a malfunction.
Firmware includes all advertised letters.
This is not a bug. — Oddly, Inc.
